About us

Based in Gujarat, India, we, Rajlaxmi Brass Products, are one of the noted manufacturers, and suppliers of Brass Products. In this range, we offer high-quality Brass Pipe Fittings, Brass Flange Nuts, Brass Rivets, Brass Nuts & Bolts, Brass Flare Fittings, Brass Fittings, and much more. All our quality products are designed & manufactured at our company by utilizing top-grade brass materials.

Established in 2007, we are now calculated among the most capable firms in the sector. Under the supervision of Mr. Jayesh Nakum, The Founder of the company, we are moving ahead productively. He leads all of us with his valuable mentorship. Our company is established in the city of Jamnagar, Gujarat (India).

Why Choose Us?

All the specialists who work with us, come with unbelievable industry experience and we always meet the diverse needs of clients. We utilize only high-quality materials to deliver high-quality products. A few factors that make us a favored name among clients are as follows:

- Remarkable infrastructure
- Qualitative products
- Highly qualified professionals
- Convenient delivery
- Easy payment modes
- Reasonable pricing

Quality Assurance

Rajlaxmi insists upon unmatched quality and excellent customer service at the most competitive prices. Our Plant has been installed with the latest and ultra-modern automatic Manufacturing equipment to produce Precision Components strictly as per International Standards.

Our Quality Control team continuously monitors the products and user requirements right from the production stage up to the final dispatch. Our Commitment to quality is evident from the fact that we manufacture the products in accordance with the relevant international standard and have the necessary product approvals.

In response to the Customer's specific design and drawings, we look for the requirements, and goods are supplied accordingly.
